

# Boxing Idioms

What do these boxing idioms mean?

Take it on the chin

saved by the bell

Throw in the towel

on the ropes

knockout

in your corner

be below the belt

out for the count

Can you use the idioms in an everyday life scenario?

Example: Guto fell asleep at 7pm last night, he was out for the count!

Can you create a short sketch using these idioms using the classroom as the scene?

Can you organise the idioms into the correct category?

Boxing idioms

idioms in sports
